II. The applicant must submit the following:

- A completed 2018 scholarship application
- A certified copy of the applicant's high school transcript which reflects his or her *class rank* at least through the first half of the applicant's senior year. **If rank is not available, please ask your school counselor to indicate decile or quartile in your class on your transcript. This information must be included in order for the application to be complete.**
- A copy of the High School Profile
- A letter of admission to a four-year college or university
- Proof of ancestry (birth or baptismal certificate of the applicant and, if necessary, the parent)

III. All qualified applicants in any year will receive scholarships in equal amounts. The amounts may vary each year depending upon the number of qualified applicants. These awards carry no work or repayment requirements.

IV. Our plans are to distribute between \$60,000 and \$100,000 per year.

V. Awards will be made to all those who meet these requirements. Payments will be made directly to students who present the foundation with a paid bill for the first semester's tuition.
